Strategic framework and programme priorities for FAO in forestry

***Mr. Boyd Haight, Director
of the Office of Strategy,
Planning and Resources
Management***

COFO 21
WORLD FOREST WEEK

Points for consideration

- Provide guidance on areas of priority in the context of the new Strategic Framework to allow FAO Forestry work to contribute most effectively to the three Global Goals of FAO
- In particular, guidance requested on:
 - how to strengthen FAO Forestry contribution to food security and poverty reduction;
 - emerging areas of priority;
 - areas of work to strengthen new Strategic Framework action plans

Thank you!
