

WELCOME TO DURBAN
14TH WORLD FORESTRY CONGRESS
7 - 11 SEPTEMBER, 2015

DURBAN

- Situated on the East Coast of KwaZulu-Natal
- Gateway to the Zulu Kingdom
- 320 days of sunshine and sub-tropical climate
- Golden beaches
- Population around 4 million
- South Africa's most popular leisure destination
- Authentic African experience
- Less than an hour's flight from JHB's OR Tambo International Airport
- Direct international flights via Emirates

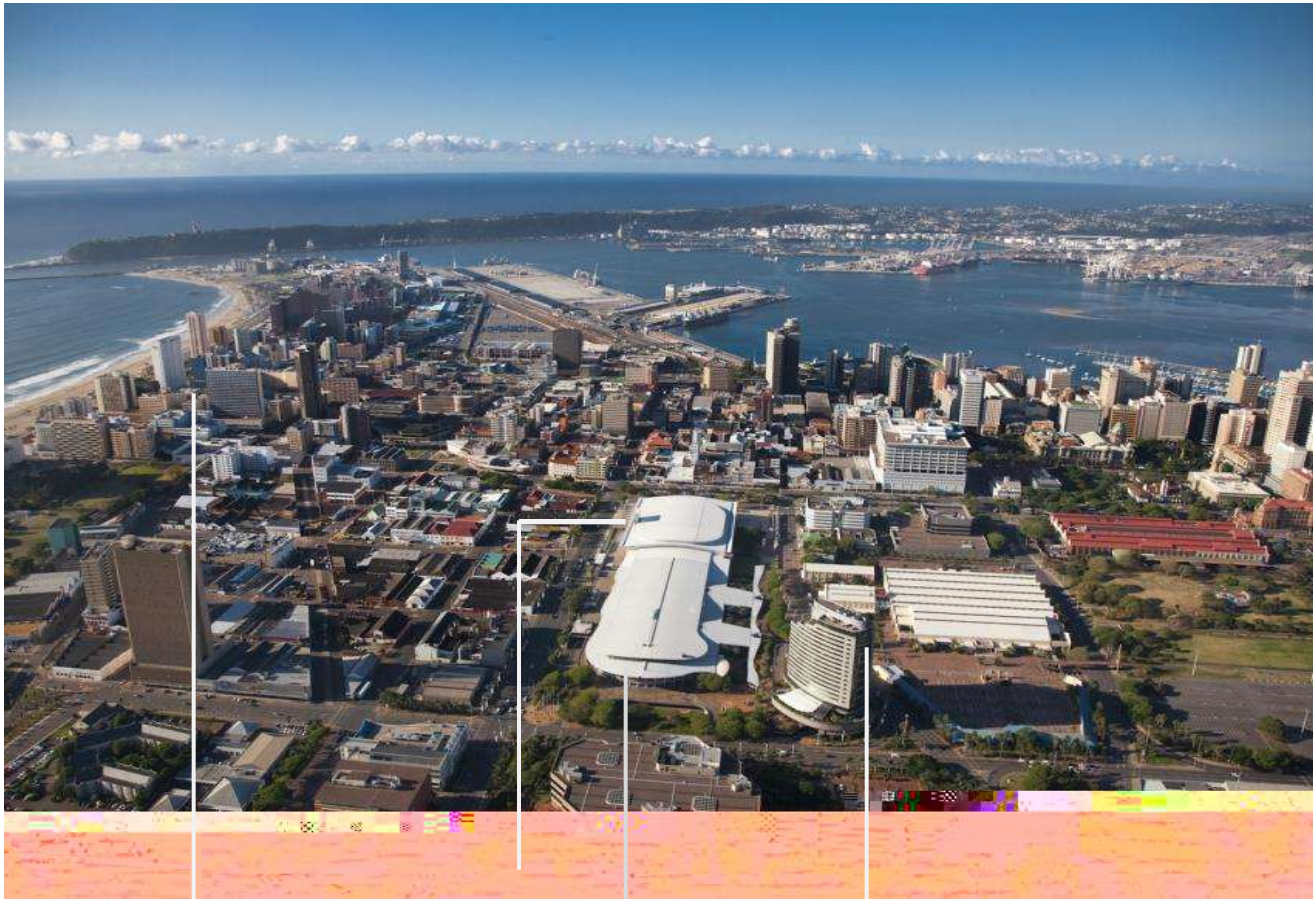

SAFETY AND SECURITY

- Durban has successfully developed an integrated security model for major events in the form of the Provincial Joint Operations (ProvJoints).
- ProvJoints includes SAPS, Metro Police, NIA, private security, justice, home affairs and emergency services.
- Durban has developed the most advanced Disaster Management Centre in Africa (COGTA)
- Safety and security planning encompasses the entire event from arrival to departure of delegates.
